an individual's life, and the individual's life is not
the same as the life of the individual. The individual's life is
the life of the individual, and the individual's life is not the same as
the life of the individual. The individual's life is the life of the individual, and
the individual's life is not the same as the life of the individual. The individual's life is
the life of the individual, and the individual's life is not the same as the life of the individual.
